chessvariants.com/rules/modern-prime-ministers-chess

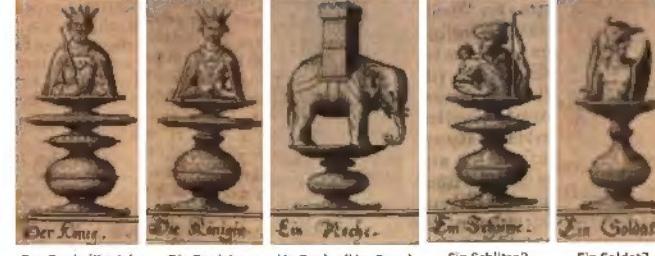

The initial layout is identical to Maura's Modern Chess: Bishops, Knights and Rooks at the 3-leftmost and 3 rightmost squares placed just like in Orthodox Chess; the King in the middle square of the first rank (on the e-file); the Queen to the right and the Prime Minister to the left of the King. The 9 Pawns are placed on the 2nd rank.

Bourgoigne:z

Editors marks in gothic manuscripts add er to just about anything. The name Bourgoigne is in 1913 *The Vulgate Version of the Arthurian Romances* with the 'r', and without, no later than 1933 and as early as 1644. I've seen pages where nearly every word has the 'r' editors mark. Perhaps a slipped register on an auto typing machine? Goulbom is a suburb in Ottawa, along with ficko.
